SHREPSHEED BAY RACE TRACK, June 19,-The fine programme at Sheepshead Bay to-day proved a loadstone-like attraction that a large crowd of people could not resist. despite the miserable weather. Six events all of them well filled, promised some excellent races, but the interest in several of them was detructed somewhat by scratching. The track was very heavy despite Supt

The track was very heavy despite Supt. Clark's effort to keep it well drained and free from water. The heavy showers of early morning converted it into pasts, and little pools of water stood all over the track. The weather, though still bad, was not as weather, though still bad, was not as disagreeable as that of yesterday. The wind died away, and it did not blow the rain into the grand stand, therefore every one was decidedly more comfortable. The first race on the eard did not hold forth

much promise, for everyone regarded it as a foregone conclusion for Kingston, still there foregone conclusion for kingsion, still there in pienty who thought that perhaps the heavy going and the mond would stop the great son of Spendthrift, and they bet on others, and chefty that speedy filly Nelly filly.

She was second choice, though 10 to 1 could be had against her. Volunteer II, had a good following at 12 to 1, and Kitty Van, Stridesway and Leveller all had strong backing.

There was nothing in it but Kingston, however. He took the lead turning into the stretch and staying there won in a canter, Nellie Bly beat Kitty Van quite handliy for the place.

Nellie Bly beat Kitty Van quite handily for the place.

The second race found Lester a red-hot favortic at a sharp price, and from the way the money came in on him it was evident that the talent thought well of him. Lorimer was well thought of by a shrewd division who noted his good performance the other day, and he was second choice.

He ran away for a short distance in his pre-liminary, and as soon as this noised about in the ring the odds rereded a trifle. Charade was third choice and outside of these three none of the others were fancled save Hapeiny, who was backed quite a little.

The race resulted in a pretty finish. Bergen, as usual, trailed with Hapeiny, and coming through in the stretch collared Lester just in the last jump and won by a nose. Charade was third.

All of Which May Mean That a Big Fight Is at Hand.

[BY ASSOCIATED PRESS.] NEW ORLEANS, La., June 19.—The Olympic Rub, of this city, has telegraphed an offer of a purse of \$25,000 for a fight in the Olympic Club arena between Sullivan and Slavin, to in the emergency. take place Feb. 27.

In the Editor of The Evening World I will be at Niblo's to-night to meet backers of Sullivan or any others. FRANK SLAVIN.

Champion John L. Sutilvan has made up his mind to have one more fight before he retires permanently from the pugilistic arena. The triumph of Frank Slavin, the Austral.

Here is his telegram which was received cesterday:

tentions has created a commotion in sporting circles, and there is very little doubt in the minds of admirers of the fistic art that the two great fighters will be brought together. Wakely and Johnston are ready to put up the money at once, and bind the challenge. and it remains for Slavin and his backers, Charley Mitchell and Pony Moore, to say whether the arrangements shall be completed

before the party return to England. They were booked to sail to-morrow. When slavin was informed of Sullivan's challenge early this morning the Aussralian at once

exclaimed:
"All right, i'd fight him. When does he want to fight?"
"On his return from Australia," he was informed.
" Well, I'm ready to make a match," replied Slavin.
" Will you put up a forfeit to-day?" he was

asked.

"Yes, I'm ready to post a forfeit of \$500 or "Yes, I'm ready to post a forfeit of \$500 or \$1,000 at once."

Fony Moore and Mitcheil were in Slavin's company at the time, and the former pulled out a big wad of bank notes and wanted to put up the money on the spot.

Mitchell, however, took the proposition more coolly, and declared in a contemptuous tone that Suilivan was only a biuffer and wanted to make the match in order to advertise binself on his Australian starring tour, for which he starts from San Francisco next Thursday.

As stated exclusively in yesterday's Eyrsisa Work, a purse of \$25,000 has been offered by the Magle City Athletic Club, of Omaha, as an inducement to get a finish fight between Sullvan and Slavin, and a bond of \$10,000 has been filed in a bank as a guarantee of good faith.

Other clubs, notably the Puritan and the California Athletic Club, are ready to put up big money to secure the match, and in any event the prize is bound to be a fat and pucy one.
